The Cook County Department of Transportation and Highways (DoTH) is proposing improvements to the East Lake Avenue Bridge over North Branch Chicago River located in the Villages of Glenview and Wilmette. The bridge is approaching the end of its service life and must be replaced.

Proposed improvements include full bridge replacement, reconstruction of approximately 600 feet of adjacent roadway, reconstruction and widening of existing sidewalk on the north side of the bridge and construction of a new shared-use path on the south side of the bridge. Construction is currently expected to begin in 2026.

The purpose of this public information open house is to give the community an opportunity to provide input.

This meeting will be accessible to individuals with disabilities. Anyone who needs accommodation may contact Michal Bartusiewicz at (312) 616-3122 or michal.bartusiewicz@exp.com by January 10, 2025 (five days prior to meeting).
